

The schools listed below are Kentucky State Police-approved driver training schools that provide additional behind-the-wheel instruction or classroom support.

[Driver training schools are optional and are not required to receive a driver's license.](#)

Note: Kentucky State Police approval does not automatically mean a school offers a KYTC-approved GLP course. Use the link [HERE](#) to determine whether a school offers a KYTC-approved GLP course and the approved course name.

If you obtained a permit prior to age 18, and need to complete a Graduated License Course, click [HERE](#) to find those approved courses outside of a Certified Kentucky Driving School
